

Courses and Quizzes - LMS

[Quizzes and Courses - LMS for Confluence](#) allows you to create **quizzes**, **tests** and **training courses** in Confluence and enroll anyone, both Confluence and anonymous users.

It doesn't require any integrations and works out of the box. You can **see the app in action without installing** it in your Confluence – try it on the [Demo Space](#) we set up for you.

Use cases

- Train and educate employees and customers
- Organize onboarding
- Assess knowledge, competences and skills of your job applicants and new hires
- Create tests for employee training, compliance, certification
- Build self-check tests on your products for customers and partners
