

# Customer Case - 7/7/2016

## New in this release

The new version of add-on includes the following feature:

- Restored the Assigned to me filter for support forums. Now you can instantly view the list of tickets assigned to you on each support forum in the Customer Case section in JIRA Cloud.

## Fixed in this release

- Resolved the issue with the variable size of the visual text editor on the Customer Portal tab in JIRA Cloud.
- Resolved the issue with the wrapping of a large text piece without spaces.
- Resolved the issue with the login procedure through JIRA account when it may fail under specific circumstances.
