

# FAQ for File Viewer for Bitbucket Server

1. My Bitbucket Server instance is used under a Community/OpenSource/Classroom license. Can I get File Viewer for free?

## 1. My Bitbucket Server instance is used under a Community/OpenSource/Classroom license. Can I get File Viewer for free?

Yes, in this case you can request a free Community/OpenSource/Classroom license for File Viewer directly from Atlassian. To do that, please, follow this [link](#).

Your free File Viewer license is valid only if your organization is approved by Atlassian for a Community/OpenSource/Classroom license type. To learn more about Atlassian Community, OpenSource, Classroom licenses, see this [page](#).
