

Talk for Confluence 3.4.1

If your current Talk version is from 3.3.1 to 3.4.0, we recommend you to **update to the version 3.4.1**. There was an issue with publishing Talk versions from 3.3.1 to 3.4.0 on the Marketplace.

Fixed in this release

- Issue with publishing Talk versions from 3.3.1 to 3.4.0 on the Marketplace. Those versions were published with a wrong add-on file format. This could cause issues when using the add-on on some Confluence versions.
