

# Weekly Commitment for JIRA - Documentation

 Our [general privacy policy](#) and app-specific privacy policy, which you can find below, apply to Weekly Commitment for JIRA app. Please, review both prior to using the app.

Commitment — is when you promise to resolve an issue until the end of the week.

To boost your motivation it is great to set weekly goals and make commitments on Monday, expecting to review on Friday what you and your colleagues have done during the week.

- [Who else can see my commitments?](#)

## How to make a commitment?

To make commitment visit any issue and click "Make commitment" button.

The screenshot shows a JIRA issue page. The top navigation bar includes 'JIRA', 'Dashboards', 'Projects', 'Issues', 'Boards', 'My commitments', and a 'Create' button. The issue details on the left include 'Labels: None', 'Description' (with a 'Click to add description' link), 'Attachments' (with a 'Drop files to attach, or browse.' link), and 'Activity' (with tabs for 'All', 'Comments', 'Work log', 'History', and 'Activity'). The 'Comments' section shows 'There are no comments yet on this issue.' and a 'Comment' button. On the right, the 'Reporter' is 'Maxim Kuzmich [StiltSoft]', 'Votes' is '0', and 'Watchers' is '1 Stop watching this issue'. The 'Dates' section shows 'Created: 19 minutes ago' and 'Updated: 19 minutes ago'. The 'Agile' section has a 'View on Board' link. A green box highlights the 'Weekly commitment' section, which contains the text 'By pressing this button you promise to resolve the issue this week.' and two buttons: 'Make commitment' and 'Learn more'.

Then you'll see due date for this issue (the end of the week):

## Weekly commitment

**Go ahead!**

Commitment made on: 24.07.2017

Due date is: 29.07.2017

I give up

Any time later you can dismiss this commitment by clicking 'I give up', but remember – heroes always keep faith.

## Weekly commitment colors

Weekly commitment can be colored differently:

- **BLUE** – Week in a progress. You have time to resolve the issue
- **GREEN** – You've resolved the issue during the week you've made commitment.
- **RED** – Week passed, but you haven't resolved the issue yet.
- **YELLOW** – You've resolved the issue but not in time.

## How can I find all my commitments?

Just click 'My commitments' in JIRA main menu and you'll see all recent commitments across all the projects.

Row colors have the same meaning as described above.

Your weekly commitments

Commitment — is when you promise to resolve an issue until the end of the week.  
To make commitment visit any issue and click "Make commitment" button.  
Also you can see everybody's commitments for a single project. Just visit "Add-ons - Weekly commitment" while in this project.

Weekly commitments

Commitment — is when somebody promises to resolve an issue until the end of the week. It's useful to make commitment on Monday and then review this page on Friday.

This page shows commitment list for the current project. You can see your own commitment list by clicking "My commitments" in the top JIRA menu.
