

Smart Attachments 1.22.3

New in this release

The new version of add-on includes the following features:

- Added the automatic distribution of attachments loaded into comments and text area fields through the Browse button.
- Added the hiding of the Attachments section until the full issue load in the browser. There was an issue with the temporary visibility of files in the restricted categories during the issue load.

Fixed in this release

- Resolved the issue with loading files into the issue when adding them through the Browse button.
- Resolved the issue with showing attachments in the restricted categories when opening an issue from the Issue Navigator.
