

Smart Attachments 2.5.0

New in this release

Integrated video tutorials into the app.

Now you can watch video tutorials on how to efficiently manage attachments in Jira.

The screenshot shows the Jira Smart Attachments 2.5.0 video tutorial overlay. The overlay is titled "Smart Attachments for Jira - Video Tutorials" and contains the text: "Please watch the videos in the playlist to get familiar with all app features." Below this text is a video player showing a playlist of six videos. The first video is "Smart Attachments for Jira 2.X - Create a new category scheme" by StiltSoft. The other videos in the playlist are:

- 2. Smart Attachments for Jira 2.X - Configure issue type visibility for categories
- 3. Smart Attachments for Jira 2.X - Configure access restrictions for categories
- 4. Smart Attachments for Jira 2.X - Configure rules for automatic file distribution
- 5. Smart Attachments for Jira 2.X - Manage document revisions
- 6. Smart Attachments for Jira 2.X - Perform bulk operations on attachments

The background shows the Jira interface with a sidebar on the left and a main content area on the right. The sidebar includes sections for "Details", "Description", "Attachments", and "Activity". The main content area shows a "Create schemes" form with fields for "Type", "Priority", "Component/s", and "Labels".
