The screenshot shows a Confluence page titled "Meeting minutes" created by Lilly Grey. The page content includes a green checkmark icon followed by the text "Let's review how we're tracking against goals". Below this is a "SUMMARY OF DISCUSSION" section with two paragraphs: "Our traffic increased 10% last week due to the newsletter. Our goal is 17% by end of the quarter." and "Next week, we'll focus on content updates." This is followed by a "NEXT STEPS" section with three checkboxes: "Identify content to update by July 4 @ Frank Dreamer", "Update content by July 11 @ Fred Gilbert", and "Send to review to @ Lilly Grey". Below this is another green checkmark icon followed by the text "Are there any blockers for the next sprint?". This is followed by another "SUMMARY OF DISCUSSION" section with two bullet points: "@ Philipo Colombo needs to review the new copy for the website before it goes live." and "Google Analytics is broken and needs to be fixed." Finally, there is a "NEXT STEPS" section with one checkbox: "@ Nancy Mitchel to review copy by July 4".

 Talk icons contain figures that indicate the total number of comments in Talk discussions.

The screenshot shows the same Confluence page "Meeting minutes" but now with a talk added. The talk icon, which now displays a "2" (representing two comments), is positioned at the end of the first paragraph in the "SUMMARY OF DISCUSSION" section: "Our traffic increased 10% last week due to the newsletter. Our goal is 17% by end of the quarter." To the right of the main content, a sidebar displays the list of comments. It shows "1 of 1" comment. The first comment is by Jack Stone, dated Apr 14, 2022 17:22, with the text "I suppose it's too optimistic." The second comment is by Fred Gilbert, dated Apr 14, 2022 17:26, with the text "We need to do our best this month."

 The Talk settings button that is located on the top on a Confluence page shows the number of Talk discussions on a page.
If there's no figure, it means that currently there are no Talk discussions on this page.

The screenshot shows the top navigation bar of Confluence with 'Spaces', 'People', and 'Create' buttons. A search bar is on the right. Below the navigation bar, the page title 'Marketing campaign' is displayed, along with its creator 'Jack Stone' and a modification date. An annotation with an orange arrow points to the 'Talk' icon, which shows a speech bubble with the number '4' inside. The annotation text reads: 'The number of talks on this page'.

4. When you want to reply to the talk, select it. The talk is highlighted in yellow. Enter your reply into the text field and click **Reply** to post it. The Talk icon that you selected also becomes highlighted, so you can easily track which element the talk is mapped to.
