Trust and Compliance Documentation

Find Trust and Compliance information for each Stiltsoft App. Stiltsoft also has a general Privacy Policy that applies to all the Apps.

Subscribe to Notifications

To receive notifications of changes in the list of Subprocessors, please follow these steps:

- Create an Atlassian account (if you don't have one)
- Log in with your Atlassian account credentials to https://marketplace.atlassian.com/
- Choose the StiltSoft App in relation to which you would like to be notified when we add/change Subprocessors
- Subscribe to the App's updates by clicking the **Watch App** link in the **Resources** section of the **Overview** tab on the App's page

Once we make changes to an applicable App's list of Subprocessors, the information about such changes will appear in the App's release notes, and you will receive an email notification.
